

# 2020-2021 Gap Campaign Final Report

Dear Supporters of St. Joseph Catholic School,

Thank you for your extraordinary generosity to our 2020-2021 Gap Campaign which concluded on June 30. Your total donations reached \$149,478! This surpassed our highest-ever total. Overall, individual donations ranged from \$5 to \$20,000. The average gift was \$795. One hundred dollars was the most common gift amount. We received thirty donations of \$100, twenty-seven donations of \$1,000, fifteen donations of \$500 and fourteen donations of \$200. Every gift, no matter the size, benefits our students and teachers and helps St. Joseph always remain the best school in Northwest Arkansas.

% of School Expenses Covered By

The objective of the Gap Campaign is to cover the gap between the tuition charged and the actual cost of educating our students. Our other fundraising events, such as Panther Gala and Men's Night, cannot fully cover the need.

This Gap Campaign makes the most difference per dollar. Our total expenses were \$901 for printing, postage, and credit card fees. These expenses were more than covered by the seed donations from our school board members and administration, so you can see that 100% of your donation directly impacts our students!

At the beginning of the campaign we set an ambitious goal of \$85,000 and a goal of 100% participation from school parents. The \$149,478 that you donated is 175% of that goal! Thirty-nine percent of school families donated. We continue to make growing this percentage a top priority. As always, we greatly appreciate the excellent participation from our parishioners and others, as you can see in the table on the right.

Your generosity is essential to maintaining the exceptional Catholic education available at St. Joseph Catholic School. Your contributions make a difference in the lives of students each and every day. Thank you for all you do to make St. Joseph Catholic School a vibrant part of our community now and in countless years to come!

Sincerely,

Father Jason Tyler
